SOL SCHOOLS INTERNATIONAL SUMMER CAMPS

SOL SCHOOLS INTERNATIONAL CAMPS

Join one of our exotic international summer camps in 2012. Sol Camps now offer, in collaboration with our partners in France and Spain, a memorable experience that remains true to our principles and program ideals currently running in Canada and the USA. These all inclusive programs are offered to students ages 13 to 17, in one and two week durations with the possibility to enjoy world renowned cities like Paris, Cannes, Monaco in France and Tarragona and Barcelona in Spain. All programs combine French or Spanish classes with fun excursions and social activities which make them the perfect choice for holiday students.

Students spend a portion of their day in an intensive language program with a dedicated and experienced team of teachers. For the remainder of the day and on weekends, students participate in sightseeing excursions, educational and cultural outings and sports activities.

In all of our summer camps, students are encouraged to learn independent decision making and take part in life-skill development. Our programs offer young students an opportunity to meet and make friends from many cultures and backgrounds.

Taking part in one of our programs is an adventure that everyone will cherish for the rest of their lives.

THE PROGRAMS

Experienced, motivated and enthusiastic staff look forward to the 2012 Sol Camps. Students have the option of one-week and two-week programs. The one-week program will take place in Valbonne/Cannes in Cote d'Azur, while the two-week program will be a combination of one week in Valbonne/Cannes and one week in Paris-Igny. In Spain, both the one-week option and the two-week options take place in Tarragona.

FRANCE

Students will have the opportunity to stay in the magnificent Cote d'Azur in Valbonne and will also visit other world renowned towns such as Nice, Cannes, Monaco and the dazzling Monte Carlo.

A world renowned centre of cinema, gastronomy, sports and tourism, the Cote d'Azur extends over 50 km between Cannes and Monaco. Aside from the luxury boutiques and the flashy Croisette, the natural scents of the hills above Cannes add to the already perfect Mediterranean climate. From the vastness of the Mediterranean to the charm of the Provence Alps, as well as the sumptuous seaside towns and the picturesque villages, everything is brought together on the Cote d'Azur for an unforgettable summer camp experience.

SPAIN

Tarragona is a pleasant coastal resort town approximately an hour from Barcelona. It is a provincial capital and a UNESCO World Heritage City. Situated in the Costa Dorada with a population of 115,000, it is a lively small town offering everything to its visitors. Its own sandy beaches are walking distance from our campus and very close to the world renowned Porta Ventura, one of Europe's largest theme parks.

OUR CAMPUSES

THE COTE D'AZUR CAMPUS

Magnificently situated by the sea, on the hills above Cannes, the Cote d'Azur campus has numerous facilities including football fields, basketball courts and an athletic track, as well as an outdoor swimming pool. Students reside on campus in single or double bedrooms with a large restaurant on campus. A cinema and an auditorium complete this exceptional centre.

THE PARIS - IGNU CAMPUS

A charming small town to the south-west of the Parisian belt, nicknamed the "Garden Town", Igny is an oasis of fresh air and greenery less than 25 minutes from the heart of the capital. Modern and pleasant classrooms, a sports hall, computer room, multimedia rooms with video projectors, audio systems and various games are part of the very complete facilities available to our students.

All students stay in entirely renovated bedrooms for 2 to 4 people. The entire campus is set in a lush green setting made up of, amongst others, football fields, basketball courts, handball courts and athletic tracks.

THE TARRAGONA CAMPUS

The St. Jordi residence is situated within walking distance from the school which is located in the city centre in Tarragona. Students stay in spacious double rooms equipped with wardrobes, desks, chairs, and a bookcase. Students also enjoy a common TV lounge, computer room, study room and a gymnasium. And remember, the sandy beaches of Tarragona are within walking distance!
